

# Our Health Guarantee

## Breeder:

Breeder guarantees that the above- described dog is a purebred Labrador Retriever and can be registered with the AKC.

Breeder warrants the puppy sold to be in good health at the time of delivery. Breeder guarantees the puppy will have its first set of shots, has been given deworming medicine twice.

Buyer must have purchased puppy seen by a licensed veterinarian within 72 hours of pick up. If the health of this puppy is found to be unsatisfactory by a licensed veterinarian within the 72 hours of pick up , with a statement from the veterinarian verifying the illness, puppy may be returned to breeder and breeder will replace the puppy with a puppy of the same value when one becomes available.

Breeder guarantees the puppy against genetic hip dysplasia for 24 months. If buyer's veterinarian suspects the dog has hip dysplasia, buyer must at their own expense, have hips/elbows x-rayed and submitted to the Orthopedic Foundation for evaluation. If the OFA report determines hip dysplasia breeder will replace the puppy with one of the same value when one becomes available.

If it is determined by buyer or breeders veterinarian that the dog affected has been abused, neglected, has been allowed to gain excessive weight, or has experienced undo trauma or stress, above guarantee will be considered void.

## Buyer:

The buyer shall maintain the puppy in good condition, including adherence to a regular immunization schedule, heartworm preventative, good diet, and a clean, safe environment.

If the buyer, at any time can no longer care for the dog, for any reason, they may return the puppy to the breeder. The buyer agrees that at no time in the puppy's life will they release the puppy to any type of dog shelter or humane society.

When registering the puppy with AKC the dog's name must include Renaissance Lab's prefix in his/her name.
